

One box – countless possibilities!

Protects your tools during everyday use, keeps them organised and secure and saves you time and money. It is also ideal as a shipping box for transporting tools for regrinding.

Boxes

- high-quality, stable and stackable; closes with a click
- standardised system
- matching trolley with easy-to-roll wheels, two of which are locked
- available in three sizes for foam inserts Boxes 175 and 235 can be combined with the rose plastic SystemBoard
- can be labelled by the customer

Foam trays

- versatile for use with different tools up to Ø 14 or Ø 20 mm
- can be laser-engraved from 50 pieces
- adjustable separators that can be shortened for different tool lengths
- recessed grips to make the removal of the individual foam trays easy
- high-strength material for good durability
- lower risk of injury due to flat-lying tools

Foam

- fixing set for SystemBoard

SystemBoard

- perfect for internal and external transportation
- ideal for sorting, organising and storing tools
- suitable for immersion baths for cleaning and coating
- height of inserts can be adjusted simply by turning

Material

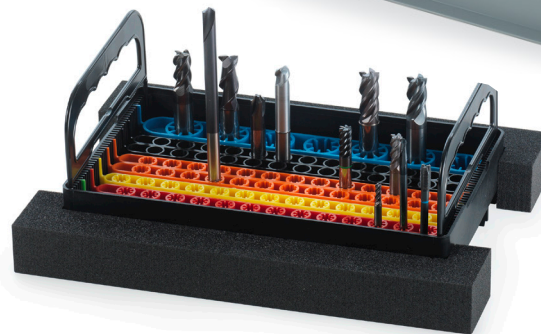

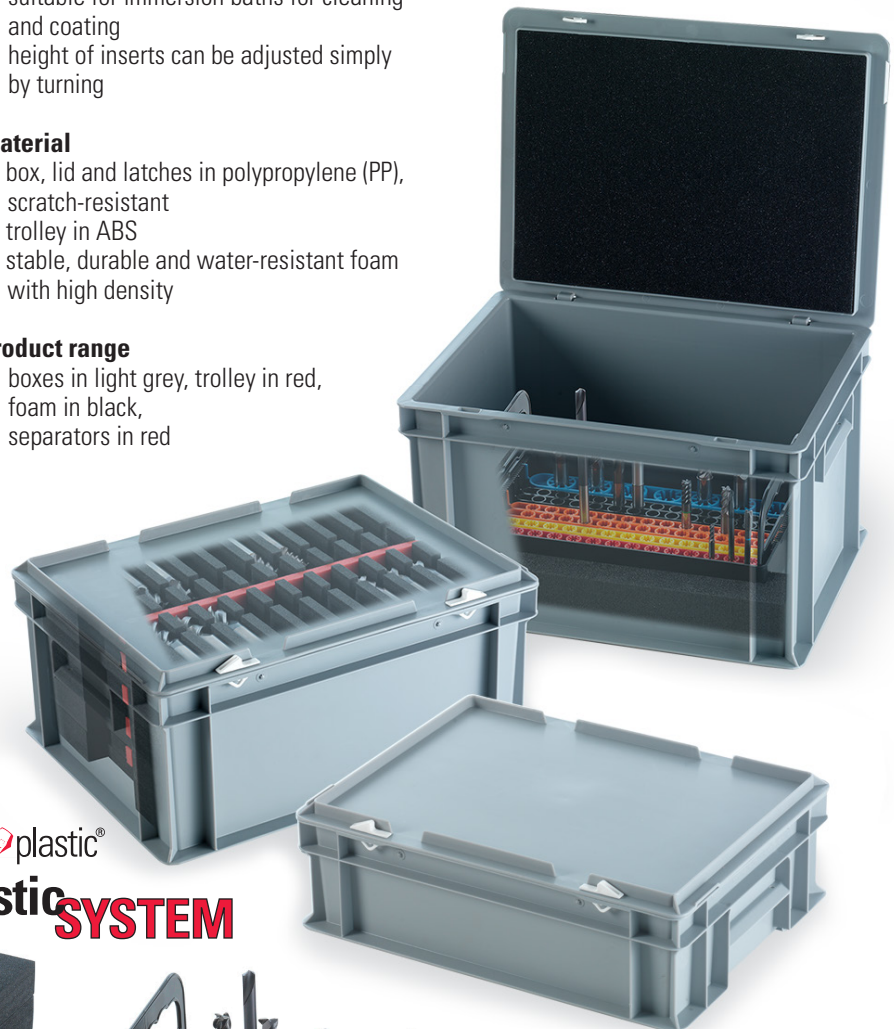

- box, lid and latches in polypropylene (PP), scratch-resistant
- trolley in ABS
- stable, durable and water-resistant foam with high density

Product range

- boxes in light grey, trolley in red, foam in black, separators in red
